

Directions to Kloofwaters Outdoor Centre

Kloofwaters is near Mountain Sanctuary Park and Buffelspoort Dam in the Magaliesberg, for those who are familiar with the area. There are two obvious routes to reach us. If you choose to take the more scenic route via Krugersdorp there is a turn off to bring you over Breedt's Nek Pass, however, this should not be attempted unless in a vehicle with 4X4 capabilities, as the road is in very bad condition. Busses should definitely not use this route.

(Please ask bus companies to contact us if they are uncertain of the best route out.)
